Dear Elizabeth Lawlor,

Your withdrawal is in the final stage of processing and is expected to be completed anytime. We are currently experiencing delays on outgoing payments, which is why your withdrawal is taking longer than usual to be completed. Our accounting department is actively working to process all pending payments as soon as possible.

Thank you for contacting us. If you have any further questions, please don't hesitate to contact us again.

Have a nice day.

Sincerely,

Dear Elizabeth Lawlor,

Regarding your withdrawal.

I want to inform you that upon submitting your recent withdrawal for batch processing, we encountered an integration problem that caused the system to reject all of the transactions. Therefore your funds have been returned to your balance.

We apologize for the inconvenience and kindly ask you to resubmit your withdrawal for us to Batch once the processor ready.

If you have any questions, please don't hesitate to contact our support staff.
